Our school motto is *Success through Participation* and, looking back over this term's calendar, we have certainly participated in an amazing range of activities! Although we are a smaller school, we have always aimed to provide many opportunities in sporting, academic and cultural activities and experiences, but we couldn't do this without the support of our families. So a big thank you to our wonderful parents for supporting our adventures this term!

Last week I met with the Home School Liaison Officer regarding some concerns with attendance. Student attendance is monitored closely by both the school and externally by the Department of Education throughout the year. It is the legal requirement that children are at school unless an acceptable reason is provided. When days are added together, some children are missing weeks of school each term and this can have a negative impact on a child's learning confidence, social skills and academic achievement. If you have any questions regarding attendance, please do contact me at school.

To the students, stay safe over the holiday - we need everyone back in one piece ready for next term. To the parents, I hope you too have a chance to draw breath and relax a little over the holiday break!

Charmian Cribb

Thank you to The Athlete's Foot for their ongoing support of our school.

Congratulations  
Jess King on winning  
the lolly jar guessing  
competition with a  
correct guess of 648.

An amount of  
\$213.00 was raised  
which will go  
towards year 6's gift  
to the school.

## Persuasive Posters in Kindergarten

Kindergarten were inspired by our Nude Food Week challenge, and with the help of 5/6R have created persuasive posters to remind their peers of the importance of reducing waste. These posters have been hung up around the courtyard.

Check them out!

## Cathedral Choir

On Sunday, 30 students from Years 2-6 joined with some students from Goulburn North and Wollondilly to sing at St Saviour's Cathedral. They sang four songs as part of the *Community: Together in Song* concert coordinated by the Goulburn Regional Conservatorium. The students sang so well in such a grand setting and behaved beautifully throughout the long concert. We had lots of Year 2 students involved this year, wearing a GCOPS T-shirt for the first time!! As always, I was very proud of the way they represented our school in front of so many people. Thank you and well done!!

# Nan Tien Temple Excursion

In Week 8, Stage 2 students had a fantastic day visiting Nan Tien Temple in Berkeley NSW. In Geography students have been learning about diverse cultures in Australia's neighbouring countries and at Nan Tien Temple we learnt about Asian culture and Buddhism. Students particularly enjoyed a session of Tai Chi in the main courtyard at the temple and ringing the bell of gratitude atop the hillside.

## Geoff Kettle Cup

Last Wednesday, students from 3H, 4/5M and 5R spent the day at Carr Convoy Park to participate in the Geoff Kettle Cup. Throughout the day the children played against students from Marulan Public School in t-Ball, touch football, soccer and netball, with the final challenge being a tug of war. Our students played well and displayed great sportsmanship during all activities. Despite the wind, we had a great day! The students should be very proud of how well they represented our school.

### Stage 2 Public Speaking Competition

This term, Stage 2 have been working hard to develop their public speaking skills. After completing their speeches in class, nine students were selected to compete in the Public Speaking Finals in front of primary students, family and friends.

Congratulations to our Stage 2 Public Speaking Champion for 2018,  
Heidi Sharman

### Footy Colours Day!

On the last day of term, Friday 28 September, the SRC are running a footy colours day for everyone. Students are asked to bring a gold coin donation and can wear their sports team's colours/jersey for the day.

Please make sure you child wears sports uniform pants/shorts and shoes.

Thank you sincerely,  
Student Council

## Sports News

At the Regional Athletics Carnival six of our students attended and represented our school. Connor Diggins, Shania Heath, Rachel Loiterton, Ellie Clarke, Charlie Moss and Ruby McIntosh all displayed fantastic sportsmanship, talent and excellent behaviour. Many of these students performed personal bests on the day. Connor made it to the finals in the 12yrs boys 100m and came an impressive 2<sup>nd</sup>. He is the second fastest 12 year old in the whole of South Coast Region for PSSA - brilliant effort Connor! Connor will now represent South Coast in the Athletics State Championships at Homebush in Sydney in October.

Abdul Aleem was picked in the South Coast Cricket squad in Term One this year. Aleem has had several trips down to the South Coast on the weekends to trial for the team. This has involved hours of driving and hours practising and fine tuning his bowling and batting in the nets after school. Last Sunday was the final training where the team would be announced. Aleem was successful in being named in the South Coast Cricket Boys Team at Barooga in October.

On Tuesday 25 September, I had the pleasure of watching two Goulburn East students receive age champion medals at the Goulburn Crookwell PSSA Medal Presentation at SportsPower. Fletcher Swan was awarded Junior Champion for Swimming and Ava McIntyre was 10 year Cross Country Champion.
