2019 Kindergarten students start school

It was wonderful to see so many children represent Goulburn East at the unveiling of the Park Road Memorial and singing of the National Anthem on Sunday 11 November. After the proceedings, three members of the community whom I did not know came up to me and congratulated us on our rendition of the anthem and how lovely our school uniform is.

During Weeks 4 and 5, 54 children from Years 2 to 5 participated in the Learn to Swim Program run by the Department of School Education. This is a fantastic program and all the children involved improved their water confidence and swimming skills. As Australians we spend a lot of time in and around water. It is a big part of our culture, so for this reason it's important that every child learns water safety and how to swim. I encourage all families to find the time and money to make sure their child can swim at least 25 metres without stopping.

This week Years 5 and 6 have been on school camp. I'm sure there were some super excited students early on Monday morning and some students who were nervous about staying away from home for a few nights. School camps are amazing experiences. Students learn about day to day life in a new environment, sharing, communication skills, resilience, trying foods that they may not have at home and about having fun and tackling new and exciting things. A very special thank you must go to Mrs Robinson, Mr Manning and Mrs Cribb who have left their own families for three days so this camp could take place. All this takes a huge amount of family organisation.
