2020 Kindergarten students start school

The last few weeks of any school year are extremely busy.

Last week we had two very important ceremonies at our school assembly. Mayor Bob Kirk presented our 2019 School Leaders with certificates of appreciation and discussed what leadership is. Mayor Kirk holds a ceremony each year at the Council Chambers where all school leaders are recognised for their work. Our school leaders were unable to attend this ceremony as they were at their school camp in Berry, so Mayor Bob came to us.

We also had a very special ceremony to open our school Peace Pole. This Peace Pole was an initiative between the Rotary Club of Goulburn and the Rotary Club of Canberra Burley Griffin. Our school is the 9<sup>th</sup> school in Australia to have their own Peace Pole. It is hoped by 2021 there will be 100 Peace Poles in 100 schools across Australia.

Our pole has the words 'May Peace Prevail on Earth' written in four languages - English, Japanese, Greek and Maori. We chose these countries as they have special significance to Goulburn and our school. We had some invited community members to recite these words in their language. Poppy and Indy Kershaw's grandmother (Yia-Yia) Mrs Andrea Fatouros spoke in Greek; Ella and Georgia Kiss's mother Kim Lowe spoke in Maori to represent New Zealand, while Ayaka Suzuki our schools music teacher and family friend of Sophie, Bow and Vincent Barton spoke in Japanese. Members of the Rotary Club of Goulburn and Mr Michael Raby from Canberra Rotary attended the ceremony. A wonderful afternoon tea was held in the library for the School Leaders, SRC executive and other student members.

This week our Year 5 and 6 students are having a wonderful time at Berry Sport and Recreational Camp. They are having a fun packed week, with many of the activities revolving around water. A huge thank you must go to Mrs Robinson and Mr Manning who have left their own families to accompany our students to camp. They will be on duty 24/7 and they will be more exhausted than the children by Friday.

This Friday, 102 students from Kindergarten to Year 4 will attend the Lieder Theatre's production of the 13 Storey Treehouse. I know that it will be an amazing life theatre show.

Christmas can be a difficult time of the year and we are hoping that Goulburn East may be able to make a small difference to some children at Grenfell Public school. If you would like to donate a present, wrapped or unwrapped, please put it under the Christmas tree outside the office by Wednesday 4 December. If the present is wrapped, please put a note on the outside to say what it is. At the moment we have only a few gifts under the tree.

### End of Year Raffle

Christmas is almost here and we are asking for donations of any suitable (new) items or vouchers for our end of year raffle. Gifts can be Christmas themed. These donations can be left at the school office. Raffle tickets will be sent home in the next few weeks. This raffle will be drawn at the Presentation Night on 16 December.

## VOLUNTEERS IN THE CLASSROOM

We are very fortunate to have had a number of parents, grandparents and carers offer to volunteer in our classrooms.

Please remember that any volunteers working with students **MUST** complete an **Appendix 5 - 'Declaration for volunteers and non child related contractors'**

Declaration forms are available from the office. Please fill out the declaration immediately, and return it to the office, along with the required proof of identity documents.

To comply with WHS requirements, all volunteers must also sign in and out at the office every time they visit.

Thank you to our teachers at Swim School, Sue, Suzanna and Andrew.

## PSSA News

On Thursday the 14 of November I had the pleasure of witnessing three Goulburn East students being recognised for their sporting skills. Every year Goulburn Crookwell PSSA acknowledges the skills of students who are age champions in Swimming, Cross Country and Athletics. This year Goulburn East received 4 of these medals.

Charlie Moss - Junior Boy Age Champion for Athletics.

Ruby McIntosh - 8/9 Girl Age Champion for Cross Country

Charlie Moss - 8/9 Boy Age Champion for Cross Country

Ava McIntyre - 11 Year Girl Age Champion for Cross Country

Congratulations once again on representing our school and the District at the Regional Carnival.

# Disco and Crazy Hair Day

## News from our stage 3 campers

Our campers are having a blast enjoying all the fabulous activities at camp including, rock climbing, vertical rope challenge, flying fox and the high rope challenge.

Mr Manning gave away the secret of how to be a good cook, something about seasoning!! The team building activities were great fun - the students had to design a raft, put it in water and then paddle out into the river while trying to stay afloat. While the design skills were awesome the execution on water not so good, our team work though was magnificent.

We have also enjoyed canoeing, raft biscuit, archery and regaining. It has been so busy and we are all having an awesome time. Mr Manning and I do look a little tired. There is another school at Berry with us and all students are mixing very nicely with Ulladulla Public School.

Looking forward to seeing everyone tomorrow.

## Aboriginal Student Group Symbol

Last year the students worked with Peter Swain and some parents to come up with ideas for an Aboriginal symbol that told the story of our Aboriginal Student Group. After the children drew some designs Monica and Jodie helped put all the ideas together and came up with three design ideas.

The students and their families voted for the design they liked the most. This is the design that was chosen. Last week we had guest artists, Sierra's mum Monica, and Summer and Zaha's dad Tony, come and help us paint the design on a big board.

Early this term Monica and Tony came and helped our Aboriginal Student Group, Toby, Chelsea, Sam, Sierra, Summer, Jarrah and Zaha paint the design on a big board which will be proudly hung in our playground.

The symbol has special meaning to our school. The red and blue circles are our school colours and represent our meeting place – Goulburn East Public School. The semi-circles are sitting marks around a campfire and represent the year levels at this school and also represent the Aboriginal students currently at our school.

The red, black and yellow lines connecting the meeting place to the outside circles are the colours of the Aboriginal flag and represent our story/song lines and us sharing and learning about our culture at school and at home.

The circles around the outside are our families and home. There is a connection between us, our home and school. The song lines around the outside show our connection to each other and the wider Aboriginal community.

The handprints are the handprints of the students who painted the symbol and Aboriginal and Torres Strait Island students in the future will add their finger prints to form a border.

Thanks to Peter Swain, Monica Bridge, Jodie Mundy and Tony Wilson for your assistance with this project.
