Friday 10 December
Year 6 Fete

Monday 13 December
Year 6 Graduation and
lunch

Tuesday 14 December
Presentation Day
(In the school hall)

Thursday 16 December
Student's last day

The final few weeks of the year are upon us!! As we finish off 2021, we are starting to make our preparations for 2022.

Several teachers will not be with us in 2022, all pursuing very different paths.

Mrs Gail Joyce will be retiring at the end of this year. Gail has held several roles at Goulburn East including Learning and Support Teacher for the last four years and previously as class teacher. Her personal and professional links with Goulburn East are strong and her commitment to our students will be greatly missed.

Mrs Jennifer Gliddon will be moving away from Goulburn with her family. Jenn has been with us for five years and has been instrumental in many initiatives including the wonderful Operation Art. She has also been the guiding influence behind the success of the Student Council.

We have started to look at class structures for next year. To assist with this process, we need to have a clear indication of our student numbers. Could you please contact the office if your child will be leaving us in 2022, apart from current Year 6 students. If you know of any children who will be enrolling here in 2022 who have not yet contacted the office, could you please encourage them to do so as soon as possible.

Have a lovely week

Charmian Cribb

Another one of our lovely university students, Miss Battye-Smith, who is working with Mr Manning and 3/4M.

Change of details

If ANY details change for your child, please remember to inform the school office.

This includes any change of

- Address
- Phone numbers
- Emergency contacts
- Parent separation

Toys and Sporting equipment at school

Please do not send your child to school with toys and sporting equipment from home. Our school has a very large variety of these items for the students to use.

Remembrance Day 2021

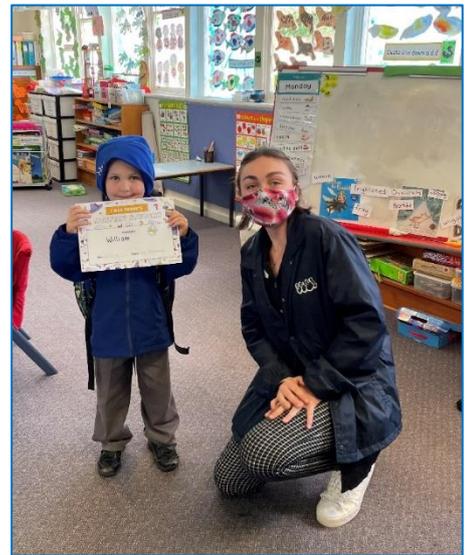

Athletics Age Champions

Hello parents and carers,

My name is Miss Thornthwaite and I have been in KP for the past three weeks as part of my university placement. The students are very excited due to the recent introduction of 'Mystery Student', where one student each day is chosen from a name draw.

This week's Mystery Students have been: William and Tamika
These students have been successful learners following the 'Mystery Student' expectations which align with the PBL framework. I look forward to watching KP grow and learn over the end of Term 4.

3D shapes In Kindergarten

KP making 3D shapes from matchsticks and playdough. The students are exploring the properties of 3D shapes through creating the unique angles and sides for each shape.

Programming Dash Bots

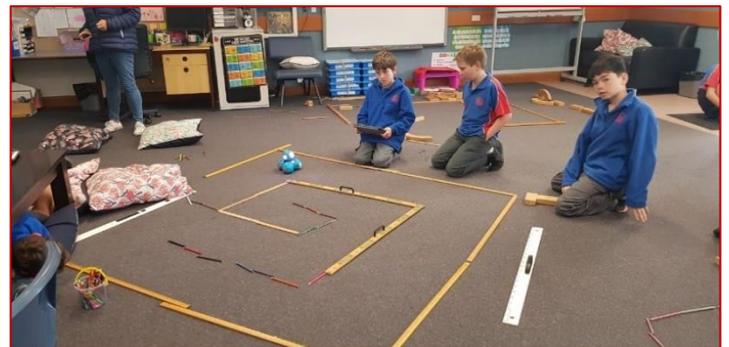

On Tuesday, year 5 students showed their brilliant problem-solving skills by following tasks using the Dash Bots.

Students had to create an obstacle course for the bots and program them to dance and make a sound at the end. Another task was to create a play where the Dash Bot was a character which had to act and speak.

I was very impressed with the teamwork used to solve these tasks.

It has been a lot of fun using the Dash Bots this semester and the students' digital tech skills have improved immensely.

Mrs Robinson

Year 7 2022 Orientation Day at Goulburn High and Mulwaree High

MOBILE PHONES AT SCHOOL

There are an increasing number of students bringing mobile phones to school. Please only send your child to school with a mobile phone if it is for emergency parent contact before and after school, not if it is to play games while travelling to and from school.

In emergencies, parents can contact the school office.

All phones brought to school must be switched off and handed in to the school office where they are stored during the day.

The school accepts no responsibility for phones that are lost, stolen or damaged.

Nutrition Snippet

FRIDAY NIGHT FAKEAWAYS.

Our 'fakeaways' are good for health and for the wallet!

- Easy pizza - you have to try this recipe to believe how easy it is!
 - Mixed salad - make the meal complete with this simple salad
- 🥕 3.5 of your 5 veg serves!

Spread PEACE and LOVE and JOY

by Supporting Children in Need this Christmas

CareSouth VIRTUAL Giving Tree

Donate to CareSouth's Virtual Giving Tree today to purchase a Christmas gift for children in need in your local community.

We want to spread the warm and fuzzy feelings to all the children and young people in our care.

How your organisation can get involved:

- ★ Donate to purchase a gift for a child in your local community - \$50 buys one gift, donate as much as you like to buy as many gifts as possible.
- ★ Nominate your local CareSouth community via the donation form to ensure we send your gift to the right place.
- ★ CareSouth will purchase a gift on your behalf, based on the likes and interests of the child.
- ★ If you would like to donate for a certain amount of children on behalf of your organisation, please get in touch. All donations are tax deductible.

Donate TODAY!

Scan the QR code to donate today, or visit caresouth.org.au/virtual-giving-tree

Every contribution counts. And thanks to you, we can bring joy to children and young people in need this season.

For any questions about the CareSouth Virtual Giving Tree, call us on **1300 554 260**, or email info@caresouth.org.au.
