Stewart House Donation Drive 2023

Remember to send back your Stewart House envelopes.

For your chance to win a \$4,000 holiday/gift voucher, just place \$2.00 in the envelope and return it to school by Friday 12 May.

Congratulations to the students who have already attended sporting events including the swimming carnival and several trials this year. Your positive attitude and sporting approach on these occasions are to be commended. Well done!

Thank you everyone for your support of SurFebruary. SurFebruary raises money for seed funding for the Chris O'Brien Lifehouse, helping cancer research by turning ideas into reality. One of those seeding grants made the Restorabite go from an idea to a product that helps patients to speak, eat and laugh following major reconstructive surgery. Just ask Mrs Hall – she never stops laughing! Our major fundraiser last Thursday was a great success, raising \$377 together with the lolly guessing competition. You can tell from the photos that a great day was had by all. Perfect weather for getting wet at school! Mrs Hall would like to acknowledge everyone for their incredible support so far. Her team has so far raised over \$10,000! THANK YOU!!

Thank you to those who were able to join us at the Meet the Teacher BBQ last night. There will also be the opportunity later this term to have an individual interview with your child's teacher. We have this planned for the 28 and 29 March. Information will come out a little closer to the time.

Please remember to let us know if your child is going to be absent. Unexplained absences are a concern at the moment across the state as we return to school after the COVID disruptions. We are always happy to work with you if you have any concerns about your child's attendance.

Don't forget to go along to the Goulburn show on 4 and 5 March to see our whole school entry! It's looking great.

Have a great week

What do you like doing outside school? - hanging out with my friends

What do you think about being a school leader? - 'It's a really big opportunity to evolve my leadership skills over the year as part of the school leadership team.'

What is your dream? - I see myself at the top of the leader board as a professional soccer player.

Goulburn East Public School is now using Compass!

The Compass Parent Portal is an online portal that allows you to access up-to-date information about our school and your child's progress.

The portal is accessible via the web and via the Compass School Manager App (available for download via the App store on your device)

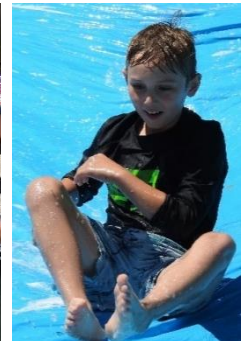

Your child will bring home your personal log-in details today, along with the Compass Parent Guide.

This guide will assist you with navigating the portal and includes step by step information on how to complete key processes.

In this guide we provide information on how to access and log in to the Compass App and how to submit an absence notification. We will gradually introduce more features as staff become familiar with Compass. We appreciate your patience during this learning period.

Skoollbag will be phased out over this term as we gradually start to use Compass as our main communication tool. Teachers will continue to use Seesaw for classroom communications.
