Last day for students

This term we have welcomed several new students and their families to Goulburn East. Samir joined 1M earlier this term. Evie, Stuart and William joined 3/4T, and Isla joined 5/6P. I hope you enjoy being part of our Goulburn East school community!

Congratulations to everyone for an amazing term! It has been absolutely jam-packed with events and activities from the very first day to the last. We started with our performance with Opera Australia at GPAC and we are finishing tomorrow with the SRC's **Glowtastic Disco!!**

I know that you join me in thanking the staff for making all these wonderful experiences happen.

And finally, have a wonderful holiday. It has been a busy term and I can see some very tired children out of my window as I write this. I hope you have a chance to have a break too.

Thank you for your support this term. I never stop appreciating the support we receive from our families.

Warm regards

Charmian Cribb

On Friday 8th September, Stage 2 and Stage 3 went to the Goulburn Performing Arts Centre to watch the theatre production “Just Tricking” which is an adapted story from the JUST book series written by Andy Griffiths and illustrated by Terry Denton. Written by Robin Goldsworthy, the show had the students and teachers in fits of laughter. Watching the production was perfect for both stages as we embark in our own theatre production as part of the Drama Unit to be performed in Term 4 with the “Prince, Pumpkin, and Poultry: A Fractured Cinderella Tale”. We asked the students about what they enjoyed about the show and what would they like to bring to our end of year production. Mrs Martin

Ana (Year 6) I loved the humour and exaggeration the actors used. They had incredible confidence, and their voice was so clear.

Seth (Year 6) What I would like to bring to our production is the use of different effects and lighting. I enjoyed it when he ate the brussels sprouts and then a massive brussel sprout came out behind him.

Tayah (Year 6) What I want to bring to our production is the use of dramatic parts, production styles, emotions and increasing the teamwork so we are all in it together.

Sophie (Year 5) I enjoyed watching the interactive screen. What I would like to bring to our school production is to make the audience laugh and embrace my character by including the Italian mafia.

Lachlan (Year 6) I enjoyed the part where the dog puppet spewed, and the dog did a pee on the guy. I want to make sure our puppets come to life like theirs.

Claire (Year 5) I enjoyed when they said there was an earthquake and they made it look like it was an actual earthquake through their acting. When I am doing my acting, I want to not be embarrassed and remain professional.

ENROLMENTS FOR KINDERGARTEN 2024

Kindergarten enrolments are now being taken for children who live in the Goulburn East zone and will turn 5 years old before 31 July 2024.

Enrolments can be done **online** through the school website at the following link:

<https://goulburne-p.schools.nsw.gov.au/> Click on the 'Enrolment' tab to get started.

Please note that original documents will need to be sighted at the office, and 100 points of proof of address documents must be provided in accordance with the Residential Address Checklist which is available from the school office.

To finalise your child's enrolment you will need to bring along:

- Your child's birth certificate
- Your child's immunization certificate (available from Medicare)
- Proof of address documents

Kindergarten orientation days will be held in Term 4. More information on the orientation days will be provided at a later date.

Healthy doesn't = expensive

Packing everyday foods in the lunchbox can actually save you money.

Try these cost saving ideas:

- Swap from a chocolate muffin to two pikelets and save 40c.
- Buy fruit and vegetables that are in season
- Buy a big packet of rice crackers instead of individual serves and save 20c per serve

Busting lunchbox myths!

Marketing and health claims can make choosing everyday foods very confusing.

Did you know that whilst a muesli bar contains healthy ingredients, the added sugar and fat make it a sometimes food?

Swap from muesli bars to sunflower or pumpkin seeds, roasted fava beans, Weet-bix bites, yoghurt or fresh fruit.

For more lunchbox myth busters, visit:

MISSION AUSTRALIA

Grandparents Raising Grandchildren

The Grandparents Raising Grandchildren program supports grandparents who have assumed the role of primary caregivers to their grandchildren (or other related children), often in difficult family circumstances.

The program helps grandparents to develop their confidence and parenting skills, and helps them connect with schools, the service system, and other supports in the community. The service works with grandparents raising grandchildren aged 0-18 years of age.

Our program can provide a range of support including:

- Fortnightly support group and range of social activities
- Advocacy, counselling and support
- Information on services, financial support and referrals

Grandparents Raising Grandchildren group meets every fortnight in:

- Shellharbour
- Nowra
- Ulladulla
- Goulburn

For referrals and information please contact:
