Welcome to a wonderful new year at East! Everyone started yesterday including our new Kindergarten students.

As you know, there was a change this year to provide four School Development Days (SDD) at the beginning of the year rather than two. There will be two days at the beginning of Term 2 and one at the beginning of both Term 3 and Term 4. There are no longer any SDDs at the end of the year. These days are to provide staff with time for collaborative planning and class preparation, mandatory training and targeted professional learning. This time has allowed us to be well and truly ready when our amazing young people arrived yesterday.

I would like to welcome some new faces to Goulburn East. Mr Mark Dickson joins us as our new Assistant Principal following the retirement of Mrs Sharwood. Apart from our new Kindergarten students, we also have some new students joining us – Eloise, Lilith, Hadley, Aubrey as well as welcoming back Jacob.

Our partnership with our families is so important to us. Working together, we want each and every child to know their progress, feel success and celebrate their achievements.

Warm regards
Mrs Charmian Cribb
Principal
